Company Profile

Recog Technologies | All Rights Reserved | 2023
www.recogtechnologies.com

About Us

Recog Technologies is a full-service agency that bridges the gap between design and technology with a human centered approach to transform the way our clients communicate online. We build compelling and impactful product experiences for innovative companies around the world. We are problem solvers and we bring ideas to life through scalable, sustainable and futuristic design solutions for businesses and enterprises.

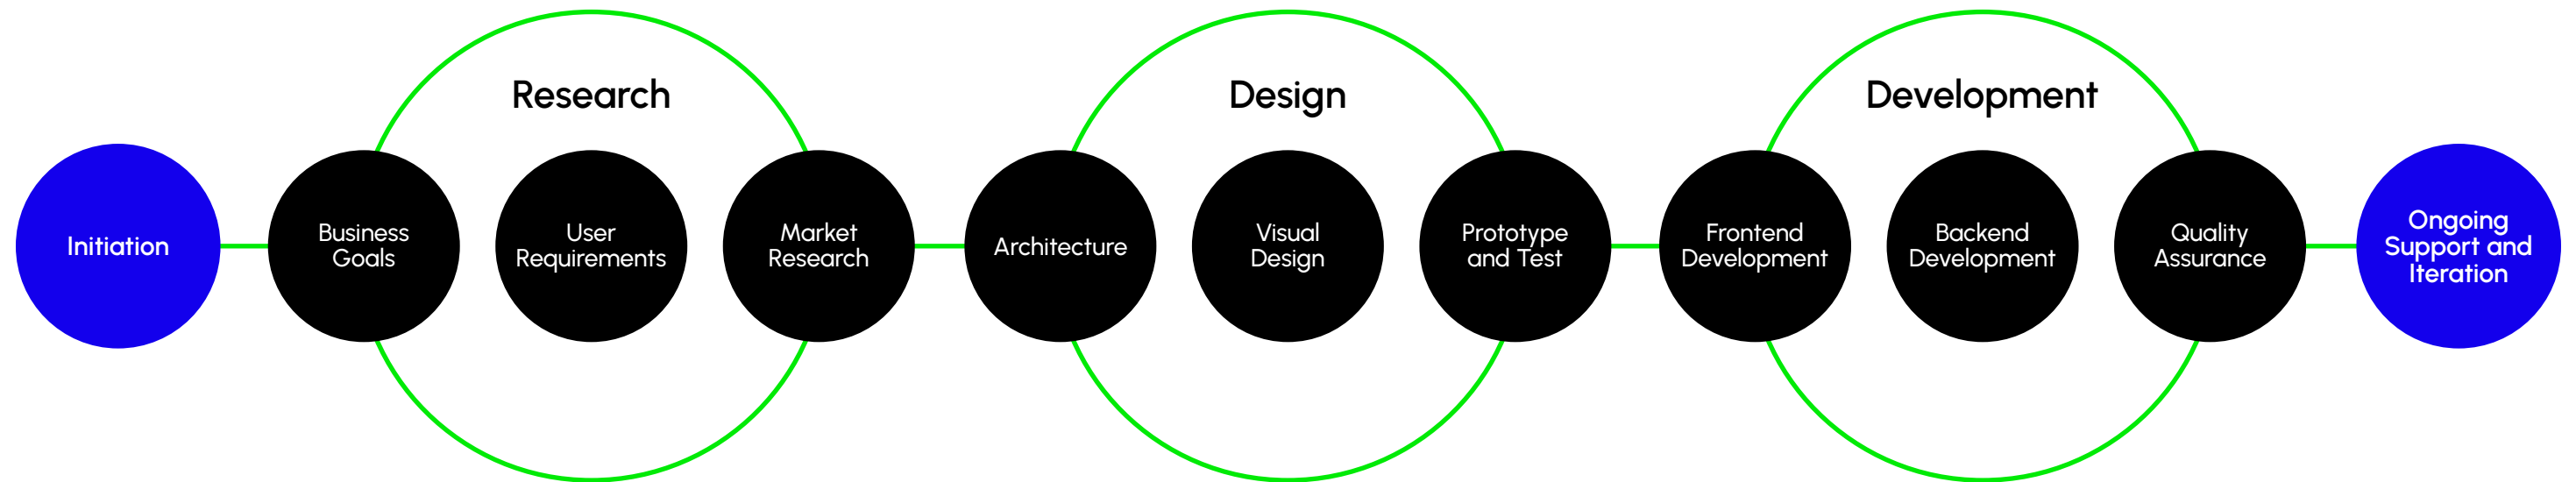

We have strategised,
conceptualised, designed
and built market ready
software alongside some
brilliant organisations and
their talented people.

Our Process

From concept to launch, we can help you at every stage. We have a flexible and adaptive process that helps businesses launch and scale quickly.

What We Do

We transform abstract ideas into concrete solutions. We address complex problem statements & turn them into holistic experiences.

Research =

We provide data-driven insights that represent the voice of the user and resonate with business objectives.

- Heuristic Analysis
- Design Audit
- Usability Testing
- Emerging Trends
- UX Research
- User Surveys
- Affinity Mapping

Design ||

Our team of UX-UI designers thrive to create designs that users fall in love with, are intuitive and scalable.

- User Experience Design (UX)
- User Interface Design (UI)
- Design Systems
- Interaction Design
- Wireframe
- Digital Prototype
- Branding Identity
- Motion Graphics
- Illustrations and Iconography

Development //

We help you translate any kind of design into pixel perfect, adaptable and scalable digital products for businesses.

- Front-End Development
- Web Application
- Mobile Application
- Custom Application
- SAAS Implementation

Who We Are

We focus on delivering high quality work with a fully distributed team. We are a proven group of individuals with an average of 10 years industry experience. We are privately owned and are led by a core leadership team.

Case Study | Fintech

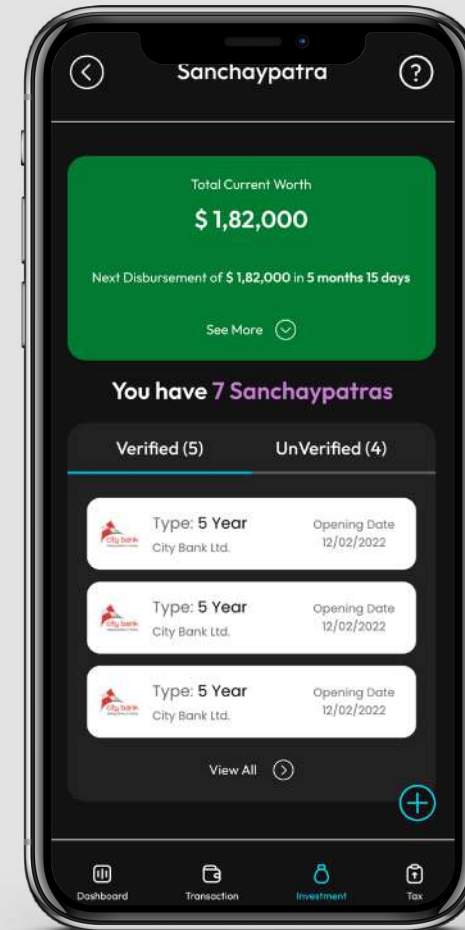

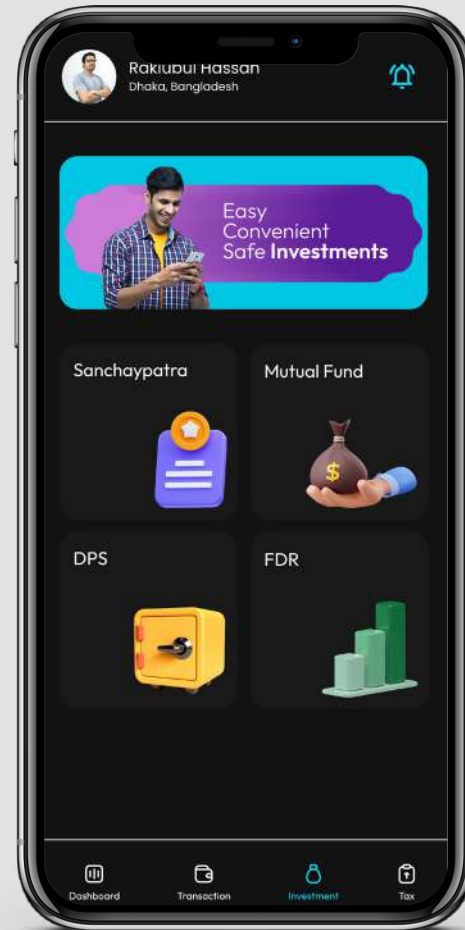

Bini

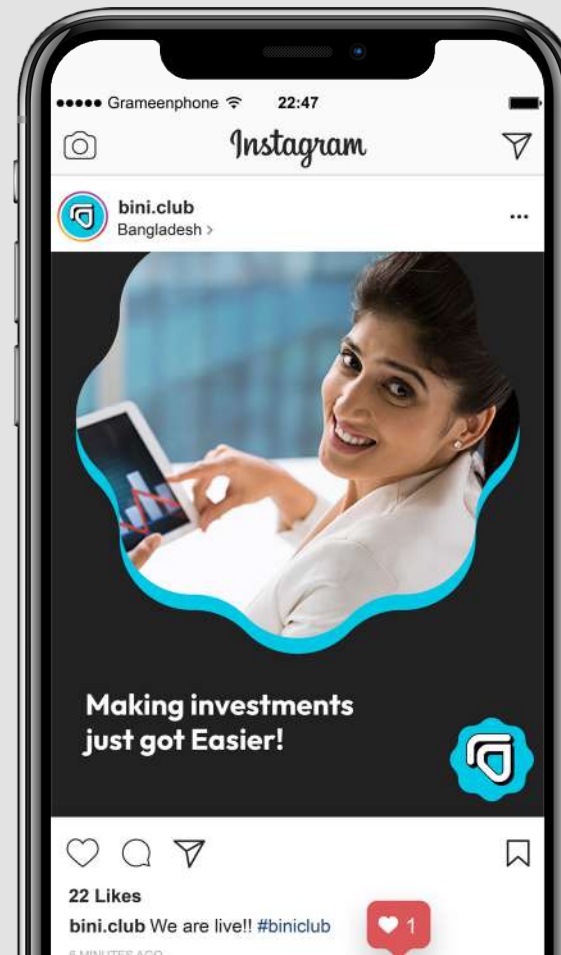

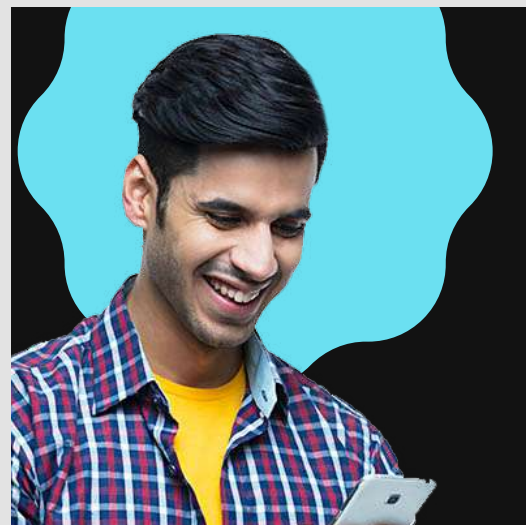

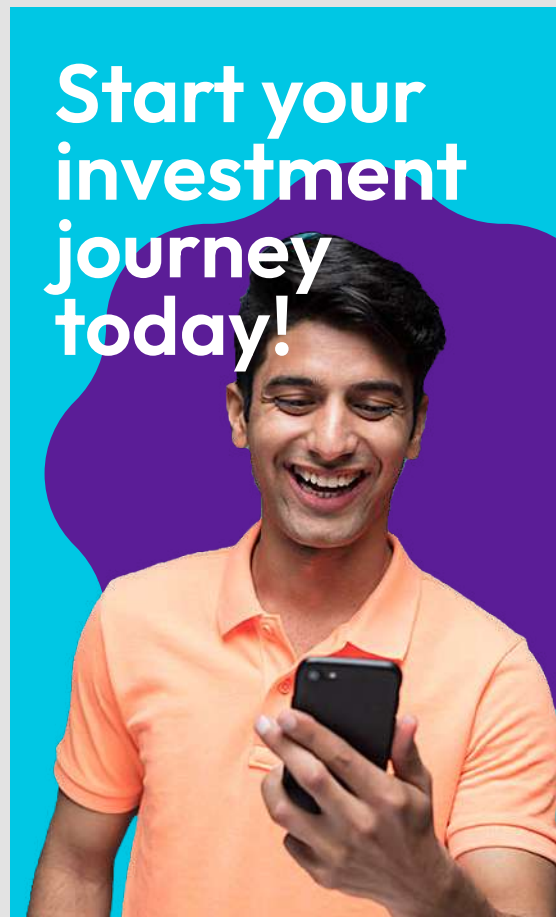

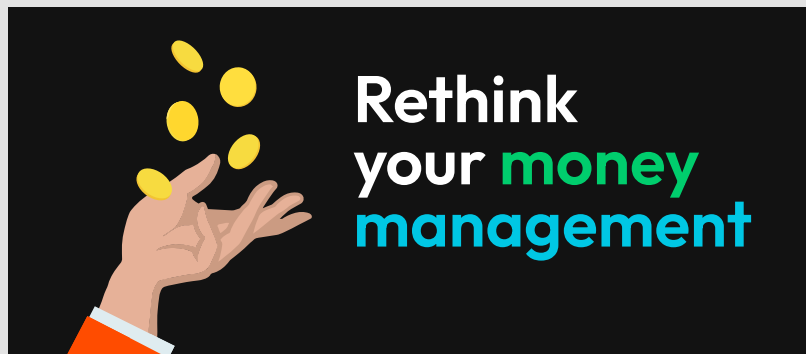

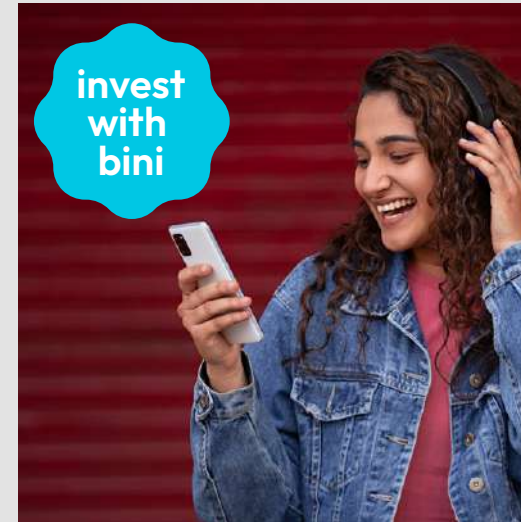

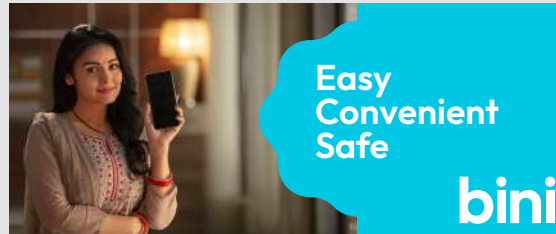

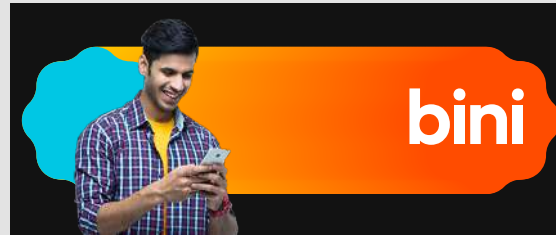

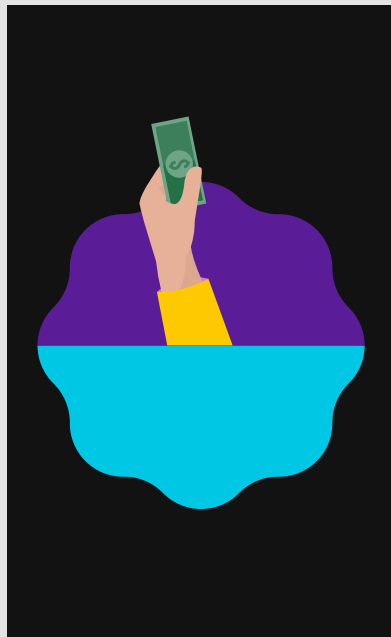

We designed the brand identity and UI of one of the most prominent fintech companies that gives a fresh energy into the traditional investment & financial planning landscape.

Case Study | Fashion E-Commerce

Zurhem

We might not be fashionistas ourselves but we sure know how fashion e-commerce works. That's why the most luxurious brand in the country trusted us with their entire technology support.

Rescue Plastics

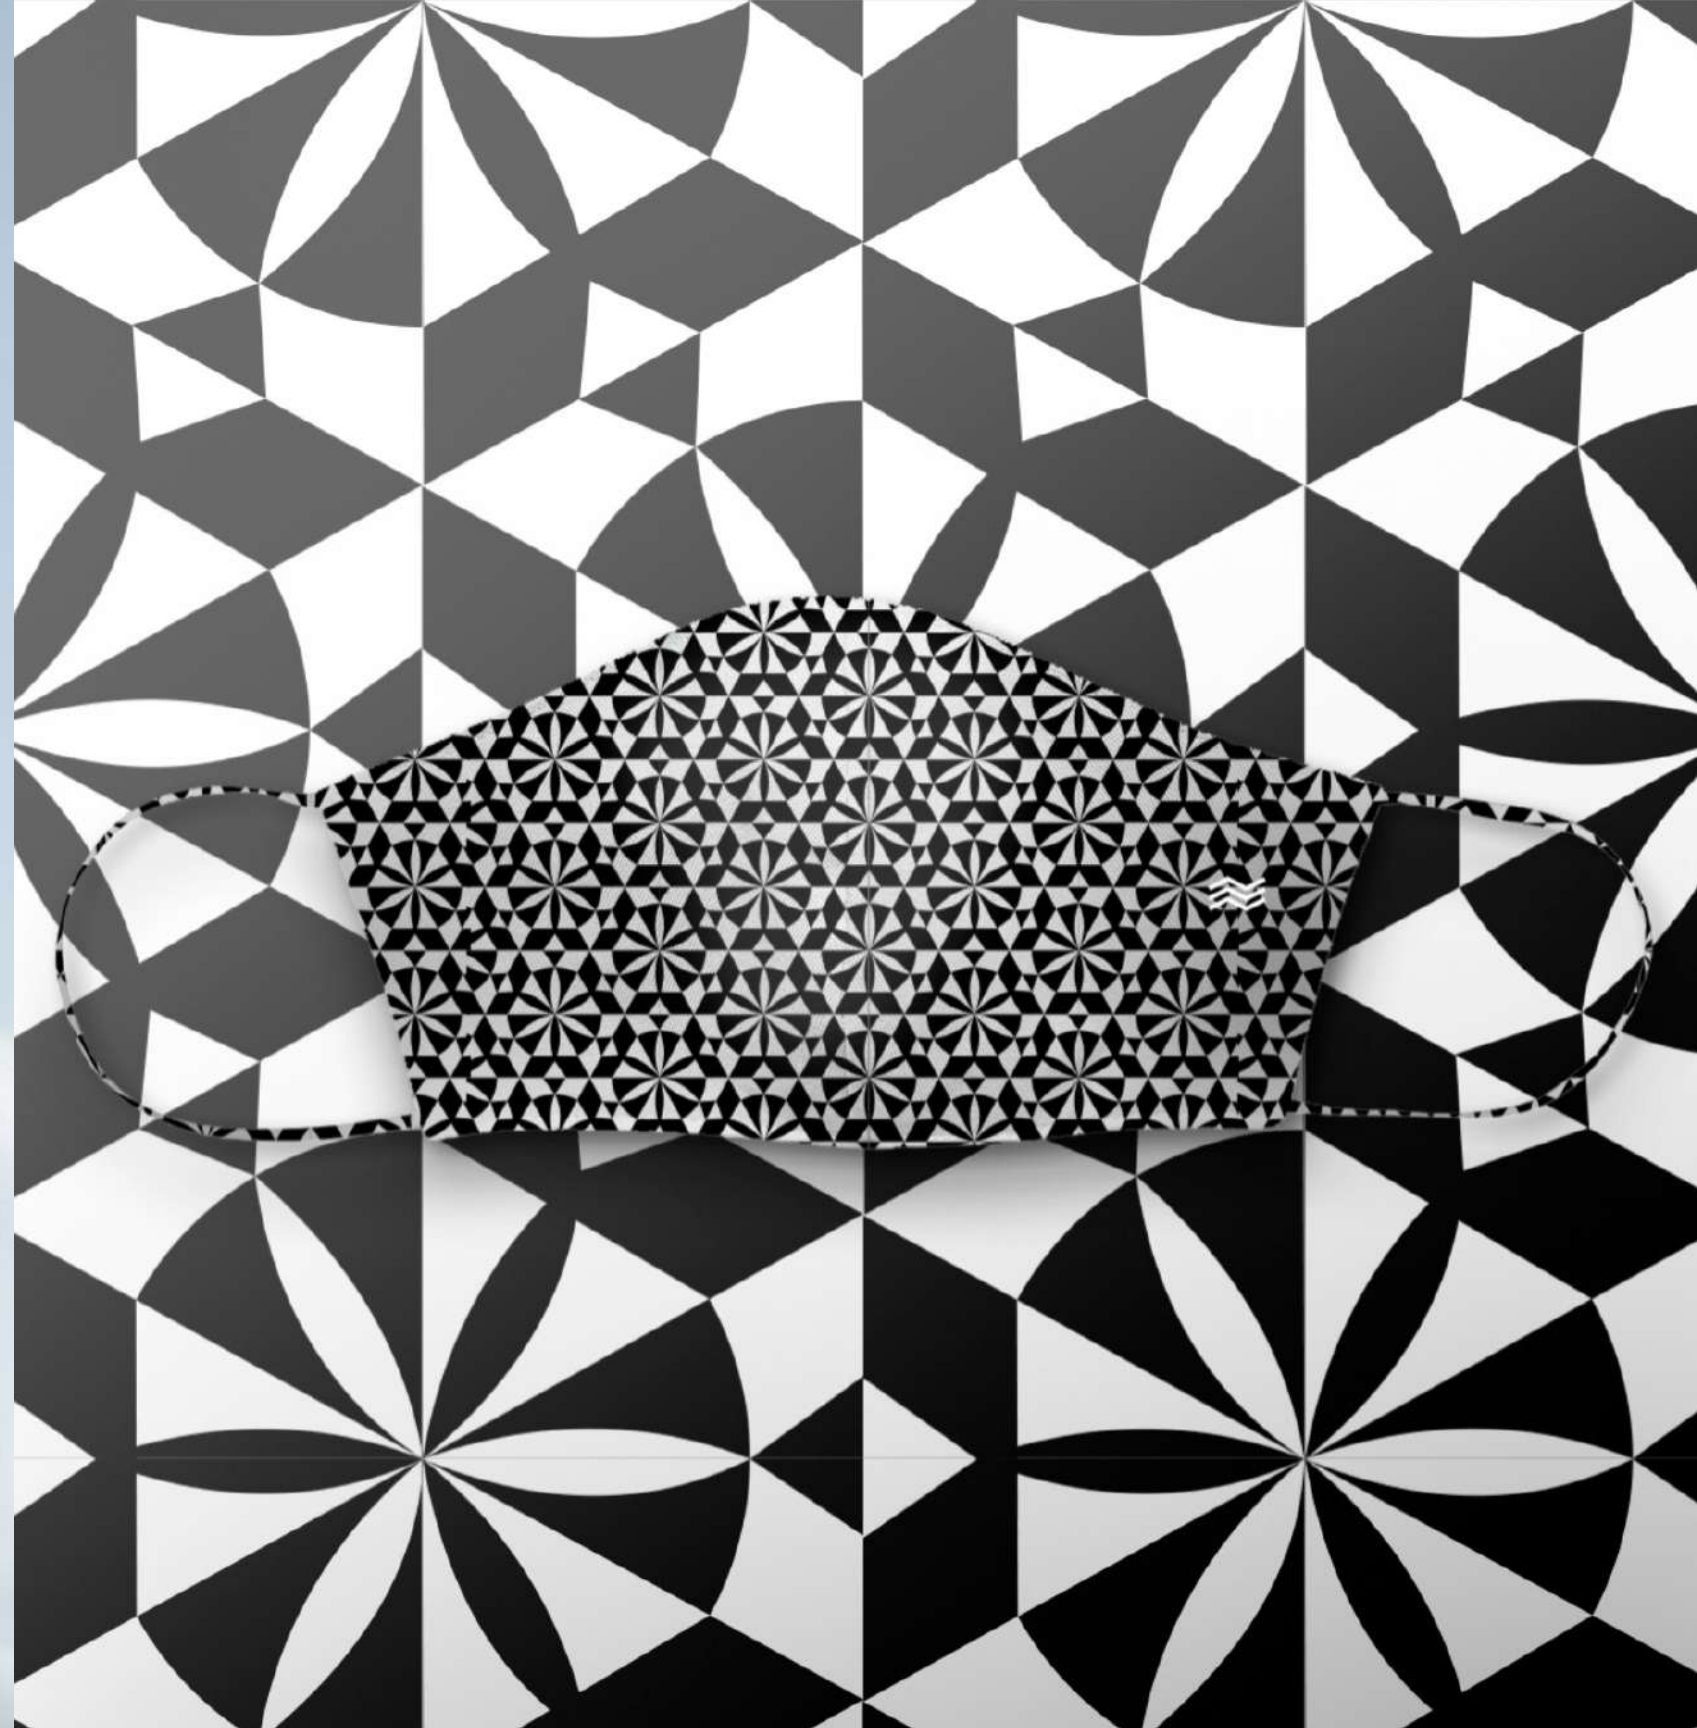

We designed the identity and merchandise for a brand with a good cause. Based in USA, Rescue Plastics collects ocean plastic wastes and converts them into active wear.

Selected Simple Solutions

It is not always necessary that a client's project is a complex one, we provide simple solutions too.

TURN UP PR IS AN UNAPOLOGETIC SPIN ON PUBLICITY CURATION

A PR firm with a focus on collaboration, coverage of untold stories & creative voices. We are smack at the center of the transformation, but socially conscious at our core. We break down walls and disrupt the definition of PR coverage. We are here to create content with a positive purpose and build a connection, authentically! Everything at Turn Up PR has a reason to exist.

WE ARE SHAPING THE ENERGY OF THE FUTURE

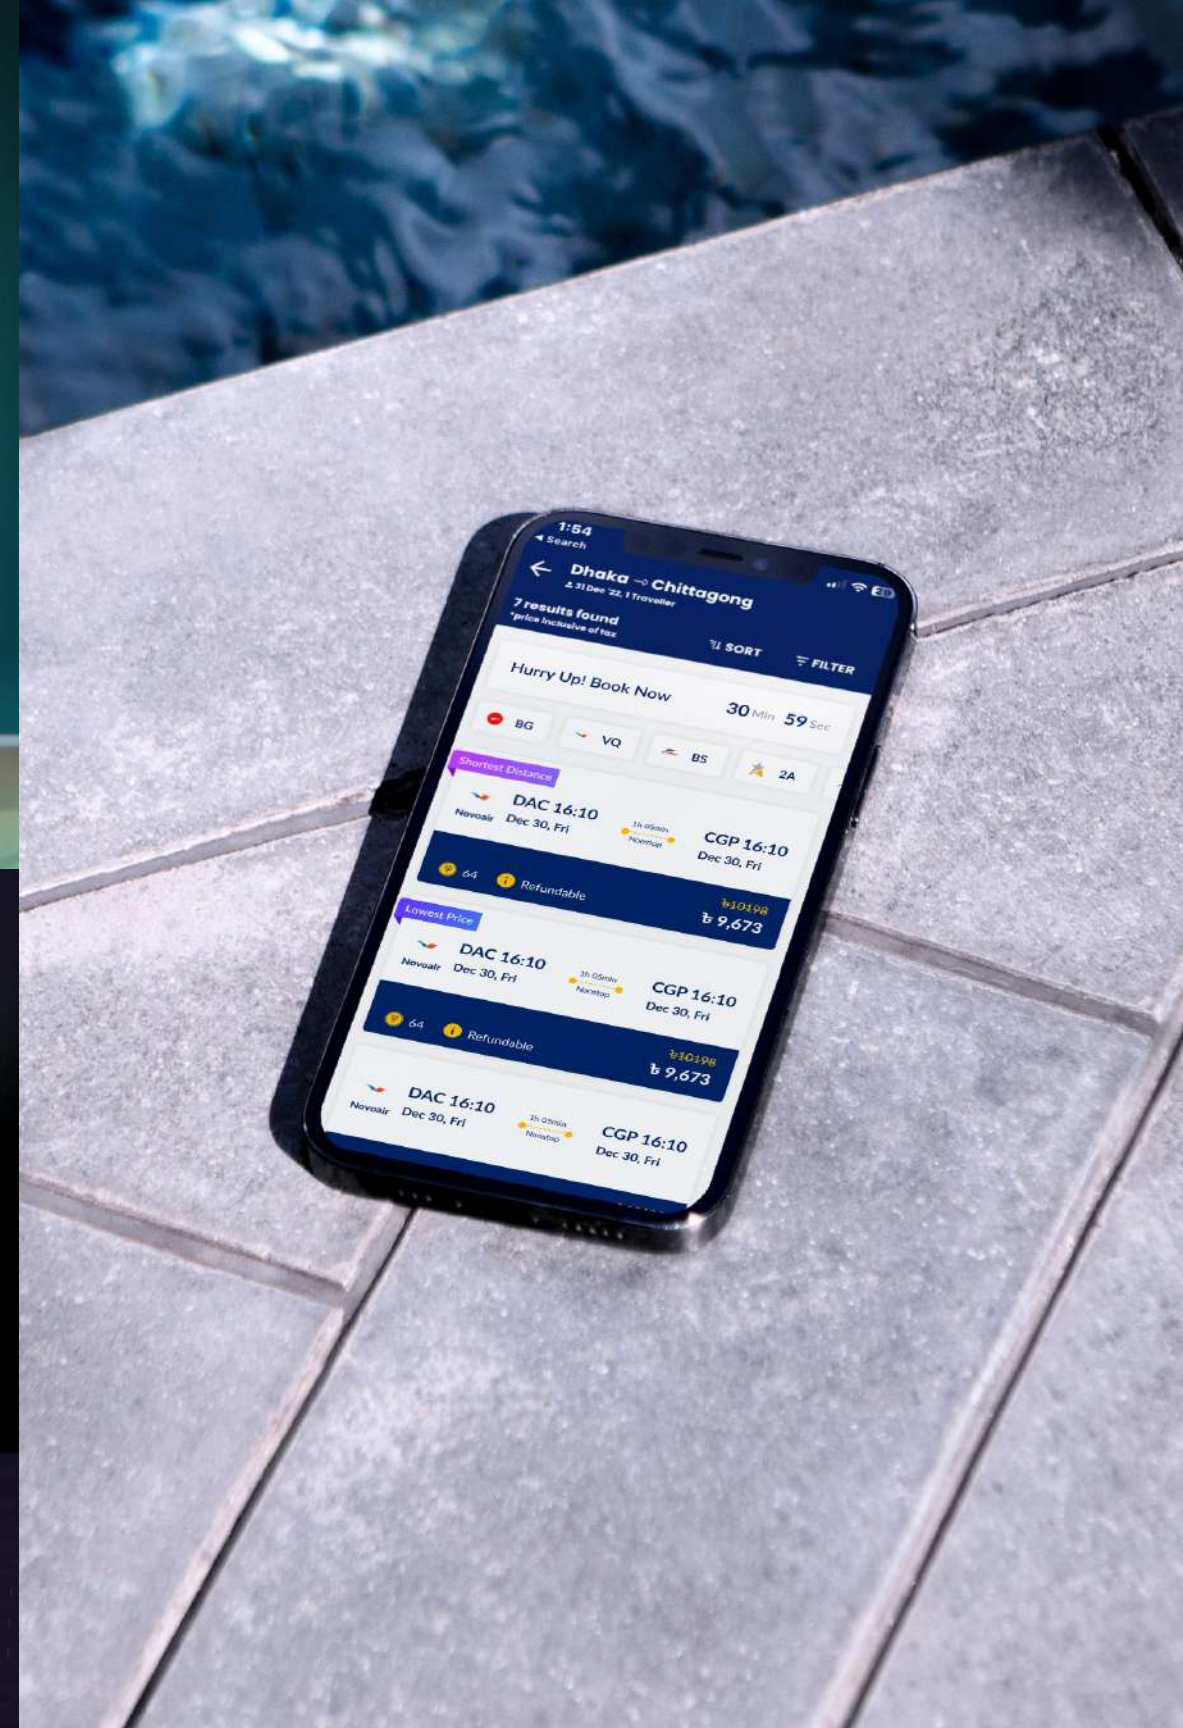

A comprehensive and easily scalable all-in-one solution for storing, distributing, and monitoring electricity.

Our Products

About Us

We help customers produce the leading edge in technologically demanding products, and to reach the pinnacle of their industry. We help companies smooth out, and streamline, manufacturing processes. This simplifies the lives of everyone whose work is related to this field.

We have experienced professionals, who are not afraid of challenging projects, and we are an intermediary for quality products from international brands. Our work is built primarily on friendly interpersonal relationships, which are based on trust and honesty. We always strive to accommodate the needs of our customers, and each other.
